IDF Certified Course for Primary Care Physicians and General Practitioners

Enrol & Earn

8 EACCME®s and 20 CPD points

Course objectives

To provide up-to-date evidence-based knowledge and enhance the core skills of primary care physicians and general practitioners in Kenya, to address the prevention, early detection and management of diabetes.

**Through an agreement between the European Union of Medical Specialists (UEMS) and the American Medical Association (AMA), physicians may convert EACCME credits to an equivalent number of AMA PRA Category 1 Credits™. Information on the process to convert EACCME credits to AMA credits can be found at www.ama-assn.org/go/internationalcme*
